

Sustainable and Warm Gift

Sustainability means taking responsibility for every business decision. Even small decisions, like choosing corporate gifts, can reflect your company's commitment to responsible practices.

In our collection, you will find natural wool blankets and accessories that are certified by standards ensuring compliance with strict animal welfare regulations, safety from harmful substances, and 100% pure wool textiles.

Each of our products radiates warmth, comfort, and high quality, so by choosing „Barker Textiles“ products, you invest in a long-term and sustainable partnership with clients and employees.

CREATE CUSTOM GIFTS OR CHOOSE FROM OUR CATALOGUE

CREATE YOUR OWN DESIGN

Whether it's a brand pattern, a company logo, or another design you envision, we can weave a unique custom blanket.

CUSTOMIZE COLORS

If you decide to choose one of our designs, you can always change the colors from our swatches to match your brand's palette.

WRAP FOR THE OCCASION

We can also take care of the gift wrapping for a professional look. You can find some of our samples throughout the catalogue and by the end of it.
